

The Inter-Lake Yachtsmen's Fund

Incorporated October 10, 1919

2019

Dear Commodore,

It's 2019 and The Yachtsmen's Fund is celebrating its first 100 years. The Dollar-per-Member Program has long been a part of that history.

Last year we awarded \$25,000 in grants and scholarships to Educate, Challenge, and Inspire the next generation of boaters and sailors in I-LYA. The Dollar-per-Member Program is a way for every club to partner in this mission. Many clubs donate \$1 for each member, others give what they can.

To appreciate the work we do, please access our Annual Report on our website at yachtsmensfund.org. Enjoy the pictures and stories and consider making your club a part of our rich history.

A short half-sheet form is included to send with your remittance. This year's form has the added option to contribute to our Centennial Campaign at either the \$100 or \$1000 level. We welcome both individuals and organizations as Centennial Sponsors and Benefactors.

I hope this letter has explained our program; should you need more information about the Fund and its good works, I would welcome your call.

Wishing you fair winds and following seas,

Monica Bloomstine
